Author Contribution and Approval Form

Title: .....

.....

1. I declare that the manuscript is original, has not been published elsewhere, and is not under evaluation for publication.

2. I contributed to the concept / design of the study; or collect, analyze and interpret data for the study.

3. I participated in the drafting of the manuscript and critical review of intellectual content.

4. I have reviewed and approved the final version of the manuscript before publication.

5. I agree to be responsible for all aspects of the study in order to ensure that the questions regarding the validity and accuracy of any part of the study are properly investigated and resolved.

6. I hereby declare that I am not in a current or potential conflict of interest with any pharmaceutical company, biomedical device manufacturing company, or companies whose products and services may or may be related to the subject of the article.

- If there is any conflict of interest, please describe it in an additional Letter.

As the author of this article, I agree to all the terms and conditions mentioned above.

Author's Name*	Middle name (if any)	Surname	Signature	Date
*Corresponding author should be on the first line.				

This form should be signed by all authors and uploaded to the online journal system of Life and Medical Sciences or sent via to cmsciencetr@gmail.com.
